2.0 ADMINISTRATION

2.1 The Corporation reserves full and complete control and management of the land, buildings, plantings, roads, utilities, books and records of the Cemetery and complete authority to administer these by-laws.

2.2 The Corporation shall be responsible for the administration, management, care, maintenance, and improvement of the Cemetery.

2.3 The Caretaker shall have custody of the Cemetery under the direction of the Corporation, and shall

a) observe and carry out all of the provisions of the cemetery by-laws and regulations as may be in effect from time to time:

b) make, open and close all lots in the cemetery which may be required to be opened or closed;

c) attend all interments and funerals held in the cemetery and cover all graves immediately after interments;

d) perform other such duties as Council may require from time to time.

2.4 The Corporation will not be held liable for any loss or damage, without limitation (including damage by the elements, Acts of God, or vandals) to any lot, marker, or other article that has been placed in relation to an interment, save and except for direct loss or damage caused by gross negligence of the Cemetery.

2.5 The Clerk shall keep such registers, records and books as are necessary for properly recording all matters, acts, interment rights certificates and matters pertaining to the Cemetery as come within his/her respective jurisdiction, and as may be prescribed.

2.6 The Clerk shall make and render such reports as may be prescribed or as Council may require.

2.7 The Clerk has the authority to make final and binding decisions on behalf of Council.

2.8 The Corporation shall take reasonable precautions to protect the property of the interment rights holders but assumes no liability or responsibility for the loss of or damage to any article of any type that is placed on any lot.

2.9 Notwithstanding the provisions of the By-law, Council may, upon the application of any person, and on the recommendation of the Board, authorize minor variances from this By-law if, in the opinion of Council, the general intent and purpose of the By-law are maintained.

3.0 SALE AND TRANSFER OF INTERMENT RIGHTS

3.1 No person shall sell interment rights except on behalf of the Corporation. The resale of interment rights by the holder/purchaser to a third party is prohibited.

3.2 A Certificate of Interment Rights will not be issued until full payment is received.

3.3 Interment rights may be purchased from the Corporation at the rates filed with the Ministry and as set out in the Cemetery Price List, and according to the plans approved by the Ministry which are on file in the Municipal Office.

3.4 Deposits to the Care and Maintenance Trust Fund shall be as specified in regulations made under the Act and as set out in the Cemetery Price List.

3.5 A purchaser shall have the right to cancel within the thirty (30) day cooling off period of signing the contract by providing written notice to the Corporation. The Corporation will refund within thirty (30) days from the date of the request of cancellation, all monies paid.

3.6 After the standard thirty (30) day cooling off period for purchases of interment rights, the Corporation will deposit to the Care and Maintenance Trust Fund as specified in regulations made under the Act.

3.7 At the time of sale, The Corporation shall provide the interment rights holder with:

a) a contract, which shall be executed by the purchaser and the Clerk/Deputy Clerk on behalf of the Corporation;
b) a copy of the Cemetery By-law;
c) a Certificate of Interment Rights, which shall be executed by the Clerk/Deputy Clerk on behalf of the Corporation.
d) Cemetery Price List
e) Consumer Information Guide

3.8 Purchasers of interment rights acquire only the right and privilege of interment of human remains and of placing markers in accordance with the requirements of this by-law.

3.9 A purchaser shall not transfer interment rights, except in accordance with Section 3.10.

3.10 A purchaser may gift, bequest or otherwise transfer interment rights without consideration to another person by giving notice of the transfer to the Corporation, specifying the name and address of the Transferee and date of transfer, and returning the original Certificate of Interment Rights to the Corporation. Upon receipt of the notice and the original Certificate, and payment of a fee as set out in the Cemetery Price List, the Corporation shall issue a new Certificate of Interment Rights to the Transferee.

3.11 In cases of transfer of interment rights by will or bequest, the Corporation reserves the right to require the productions of a notarial copy of the will or other evidence sufficient to prove ownership.

3.12 An Interment Rights Holder may by written demand, require the Corporation to repurchase the rights at any time before they are used.

3.13 The Corporation will repurchase the interment rights at the price listed on the current Price List, less the Care and Maintenance Fund contributions made at the time of purchase. This applies to all purchases or contracts that were made before this Act came into being. Refund would be made within 30 days of the written request.

3.14 No refund will be made for any lot if interment rights have been exercised.

3.15 If interment rights have not been used after a 20 year period has passed, the Corporation may apply to the Registrar for a declaration that the interment rights are abandoned. Upon being satisfied that the interment rights are abandoned, the Registrar shall issue a declaration to that effect. If there is not an appeal by the end of the time period allowed for the appeal, the Corporation may resell the lot in question.

3.16 Any person whose interment rights have been resold after being declared abandoned may apply to the Registrar for redress. Upon receiving an application for redress, the Registrar shall order the Corporation to provide better or equivalent rights in the cemetery or to refund the amount that it would cost to purchase better or equivalent interment rights in the cemetery, or if no interment rights are available in the cemetery, in the closest cemetery appropriate to the religious or ethnic affinities of the person whose interment rights have been resold.

4.0 INTERMENTS AND DISINTERMENTS

4.1 No interment shall take place until all fees and charges have been paid in full. Interment fees shall be paid to the Corporation at the time interment rights are scheduled.

4.2 A burial permit issued by the Division Registrar showing that the death has been registered shall be deposited with the Corporation. In the case of the interment of cremated remains, a Certificate of Cremation shall be deposited with the Corporation.

4.3 Written notice of interment shall be given to the Corporation by the interment rights holder or the person making arrangements for the interment, who shall be responsible for all charges incurred. For the purpose of this section an order from a Funeral Director shall be deemed to be an order from the interment rights holder.

4.4 When interment rights are held jointly by two or more persons, authorization will be accepted from either or any of them or their

authorized representatives for interment in such part of the lot as may be requested.

4.5 The Corporation shall not be held responsible for errors in the location of interments arising from the improper instructions of interment rights holders. Under no circumstances will the Corporation assume responsibility for errors in opening lots when orders are given by telephone.

4.6 The notice referred to in Section 4.3 shall be given at least 48 working hours in advance. For the purpose of this section, Saturdays, Sundays, and holidays shall not be considered working hours. The Corporation shall not be responsible for having lots prepared for interment unless such notice is given.

4.7 No interment shall take place on a Sunday or a Statutory Holiday except in accordance with the regulations of the Ministry of Health.

4.8 Where an interment is ordered to take place on a Sunday or Holiday, fees will be charged as set out in the Cemetery Price List.

4.9 No interments shall take place between the dates of November 15 and May 15 unless, at the approval of the Caretaker, weather permits an extension.

4.10 A maximum of four (4) cremated burials shall be permitted in a 2′ x 3.5′ cremation lot. A maximum of four (4) cremations and one full casket shall be permitted in a 4′ x 9′ full burial lot.

4.11 In a lot each cremation container is to be a maximum of 11″ x 11″. Cremated remains must be in a sealed, closed container.

4.12 The use of cement vaults is recommended in all sections of the cemetery except that section set aside for interment of cremated remains.

4.13 The Corporation reserves the right to allow a cremation and a casket in a full burial, only when the casket has been interred prior to the allowed cremation burial.

4.14 Human remains may be disinterred from a lot provided that the written consent (authorization) of the interment rights holder has been received by the cemetery operator and the prior notification of the medical officer of health. A certificate from the local medical officer of health must be received at the cemetery office before the removal of casketed human remains may take place. A certificate from the local medical officer of health is not required for the removal of cremated remains. In special circumstances the removal of human remains may also be ordered by certain public officials without the consent of the interment rights holder and/or next of kin(s).

4.15 A burial certificate under the Vital Statistics Act is not required to reinter human remains that have been disinterred in accordance with the Act.

4.16 The Corporation will exercise all due care in making interments but is not responsible for damage to any casket, urn or other container sustained during interment or disinterment.

4.17 The Corporation reserves the right to correct, at its own cost, any error that may be made by it in making interments, in the description of the lot, or the transfer or conveyance of any interment rights. The Corporation may either cancel such grant and substitute other interment rights, or lot of equal value and similar location, as far as is reasonably possible; or refund all money paid on account for such purchase. Notice will be given personally to the interment rights holder. If personal notice is not possible, notice shall be mailed to the interment rights holders or their legal representatives, at the address appearing in the record books of the Corporation. In the event any such error may involve the disinterment of remains, the Corporation shall first obtain the approval of any regulatory authority and the interment rights holder.

4.18 No ashes remaining from the cremation of bodies of deceased persons shall be disposed of in the cemetery except in accordance with the provision of this By-law.

5.0 CARE OF LOTS AND ORNAMENTATION

5.1 No person, except the Caretaker, or with the express permission and under the direct supervision of the Caretaker, shall undertake any maintenance on any lot or any land within the cemetery. For the purpose of this section, maintenance includes covering, grading, sodding, seeding, top dressing, fertilizing, and watering.

5.2 The Corporation shall take reasonable precautions to protect the property of interment rights holders, but assumes no liability for the loss of or damage to any lot decorations placed on a lot.

5.3 No person shall place lot decorations on any lot except in accordance with the following regulations:

a) Potted plants, wreaths, and floral tributes contained in vases, urns, stands or other receptacles may be placed within an area of the lot, as close to the marker as is practical.

b) Plants and flowers shall not be planted in the ground.

c) Lot decorations shall be removed by the interim rights holder by November 15. Lot decorations which are not maintained and which are not removed by November 15 shall be considered abandoned and shall be disposed of by the Caretaker.

5.4 Flowers placed on a grave for a funeral shall be removed by the Caretaker after a reasonable time to protect the sod and maintain the tidy appearance of the Cemetery.

6.0 MARKERS

6.1 No person shall place or cause to be placed, any marker unless all charges have been paid to the Corporation, including the appropriate amount for the Care and Maintenance Trust Fund in relation to the size of the marker, as set out in the *Funeral, Burial and Cremation Services Act, 2002, S.O. 2002, c.33.*

6.2 The Caretaker shall not accept delivery of any marker unless it is accompanied by a Request for Installation Form containing the following information:

a) The Interment Right Holder's name and address.

b) Instruction for the placement of the marker.

c) The dimensions of the marker.

6.3 Markers will be accepted for the installation during regular working hours. If weather and ground conditions permit, installations will be made within 30 days of acceptance. Markers will not be accepted for storage during winter months.

6.4 No person shall install, move, alter, remove or cause to be installed, moved, altered or removed, any marker except with the permission of the Corporation and in accordance with the following specifications;

a) All markers shall be flush with the ground and shall be placed in a location approved by the Caretaker.

b) Installation of markers or marker foundations shall be arranged through monument dealers or Township of Carling subject to proper release and payment of fees.

c) Markers shall be constructed of granite or marble or shall consist of a bronze plate anchored in a concrete slab or granite foundation. Markers of any other kind or material are prohibited.

d) The bottom bed of all foundations shall be cut level and true.

e) No inscription which is not in keeping with the dignity and decorum of the cemetery shall be placed on any marker.

f) Markers shall conform to the size restrictions according to the type of lot on which they are to be installed, and shall be located as illustrated on Schedules "C1", "C2" and "C3" to this by-law.

MINIMUM MARKER THICKNESS: 4"

MAXIMUM CORNER MARKER SIZE: 6" SQUARE

MAXIMUM MARKER SIZE

Marker centered on one lot:	24" x 36" (2' x 3')
Marker centered on two lots:	24" x 48" (2' x 4')
Marker on Cremation lot:	20" x 16" (1.6' x 1.3')

g) One additional marker is to be maximum half the size of what is allowed.

h) A maximum of two markers per lot.

6.5 The Corporation reserves the right to enter on to the lot and remove any marker or other structure, or any inscription placed in or upon any lot, which is not in keeping with the dignity and decorum of the Cemetery.

7.0 RULES FOR SERVICE PROVIDERS

7.1 Any work to be performed within the Cemetery requires the written pre-approval of the interment rights holder and the Corporation before the work may begin.

a) Pre-approval includes but is not limited to: delivery of markers, inscriptions, designs, drawings, plans and detailed specifications relating to the works, proof of all applicable government approvals and permits, the location of the work to be performed.

b) It is the responsibility of all service providers to report to the Corporation and provide the necessary approvals before commencing work at any location on the Cemetery property.

7.2 Prior to the start of any said work, service providers must provide proof of:

a WSIB clearance certificate or independent operator's status;
b Occupational Health and Safety compliance standards;
c Environmental Protection;
d WHIMIS; and
e Evidence of liability insurance of not less than 2 million dollars.

7.3 No work shall be permitted while a funeral is in progress.

7.4 All work shall be undertaken during regular working hours. No work shall be commenced on Friday that cannot be finished and the litter and debris removed by the hour of 4:30 p.m. on that day.

7.5 Planks shall be set down on the lots and paths over which heavy materials are to be moved to protect the surface from damage.

7.6 Parking shall not be permitted on the grass unless directed by the Caretaker.

7.7 The demeanor and behaviour of all workers shall be subject to the control of the Caretaker.

7.8 Implements and materials used in the performance of any work shall be placed where the Caretaker directs, and all rubbish and surplus earth shall be removed when and where and in such manner as the Caretaker directs.

7.9 Service providers operating in the Cemetery under the authority of the Corporation shall be liable for damage to the Cemetery grounds or property. Service providers other than monument dealers must sign the Townships release form.

8.0 RULES AND REGULATIONS

8.1 All persons entering the Cemetery shall behave with due order and decorum and with due respect to the dead, and shall not disturb any service being held.

8.2 No person may damage, destroy, remove or deface any property within the Cemetery.

8.3 Recreational vehicles, including bicycles are not permitted within the Cemetery.

8.4 No person shall allow entry into the Cemetery of any animal under his or her ownership and/or control.

8.5 No persons under the age of twelve years will be admitted within the Cemetery unless supervised by an adult who will be responsible for their conduct.

8.6 No person shall have in their possession any firearm within the Cemetery except in the case of a Military or Police Funeral. Discharge of firearms, other than in regular volleys at burial services, is prohibited in and around the Cemetery.

8.7 No person, except cemetery staff and peace officers, shall enter or be within the cemetery grounds before 8:00 a.m. or after sundown.

8.8 No person shall operate any vehicle within the cemetery under any circumstances, except on roadways or parking areas designed for vehicular traffic.

8.9 No person shall carry or consume food, or alcoholic beverages within the cemetery.

8.10 No person shall deposit refuse or debris on cemetery grounds except in receptacles provided for that purpose.

8.11 No person shall organize or participate in any parade within the cemetery, except a funeral procession, without the written permission of the Corporation.

8.12 No person shall offer a gratuity or reward for personal service or attention to any officer or employee of the Corporation.

8.13 Any person who damages any lot, marker or other structure, or otherwise does any injury in the Cemetery shall be personally responsible for such damage or injury.

8.14 Any person violating any of the provisions of this by-law shall be deemed to be a trespasser and subject to immediate summary eviction from the Cemetery in addition to any and all other penalties provided by law.
