TOWNSHIP OF
CARLING

April 8, 2025 Council Meeting

Hello, Carling Followers! Here are some key highlights from Council's most recent meeting on April 8th.

- Before the Regular Meeting of Council, Council convened as the Committee of Adjustment to review Minor Variance Application A/2/2025. The applicants requested a minor variance to convert an historic dwelling on their property into a storage shed. The Committee of Adjustment approved the variance contingent upon the conditions specified in the resolution being met.

- Council received a deputation regarding the Township's noise by-law. The deputation emphasized the importance of implementing an effective noise regulation within the township to address persistent disturbances.

- A public meeting was held to discuss the proposed Zoning Amendment Application Z/2025/02. If approved, this amendment would allow for the construction of an additional residential unit within a detached accessory building featuring a ground-level garage and an upper-level dwelling. No correspondence was received regarding this application, and no comments were made by the public. A by-law will be presented at a future meeting for Council’s consideration.

- Council passed a resolution authorizing a quit claim transfer/deed to the estate of the former owner of Shore Road Allowance (SRA) 8518, which was sold by the Township in 1988. This action follows standard administrative procedures to facilitate the transfer of the shore road allowance to the estate trustee.

- Council passed a by-law selling the shore road allowance in front of 36 Back Bay Road.

- Council passed a by-law to enter into a funding agreement with Belvedere Heights. In collaboration with the Municipality of McDougall and the Township of Seguin, Carling has agreed to secure funding from Infrastructure Ontario on behalf of Belvedere Heights for renovations that will allow the addition of 22 new beds. Belvedere Heights will reimburse the three municipalities in accordance with the terms outlined in the agreement.

- Council passed a resolution to access additional funding from the Fire Protection Grant. These funds will be used to purchase equipment deemed essential for a decontamination program.

- The Public Works Manager presented a report on the feasibility of installing a columbarium at the Carling Cemetery. Council directed staff to obtain the necessary quotes and surveys to initiate the process.
