To whom it may concern,

Re: Proposed Road Name Change (Inverlochy Road East)

Please be advised that Council for the Corporation of the Township of Carling will be considering proposed road name changes at the next scheduled regular meeting of Council, to be held on November 8, 2022 at 9:00 a.m. in the Township of Carling Council Chambers. At this meeting, the following changes to road names will be considered:

- 1) Inverlochy Road East (private road) is proposed to be renamed to Inverlochy Road as illustrated on Figure 1 attached to this letter.
- 2) A currently unnamed private road is proposed to be named "Pond Road" as illustrated on Figure 2 attached to this letter.

Should you have any questions, concerns, or comments respecting the road name changes being proposed, please provide them, in writing, to planning@carling.ca and they will form part of the consideration by Council.

If the proposed road name changes are implemented by Council, additional changes to civic addressing may also be implemented. Should your civic addressing require change, additional correspondence detailing the changes will be forwarded to you and will provide a timeline for those affected to make changes to personal information.

Please note: There will be no change to municipal road servicing levels as a result of the proposed road name changes described above.

Kindest regards,
