LETTER TO CARLING RATEPAYERS FROM MAYOR KONOVAL

January 25, 2021

Greetings Carling Family,

Council and staff extend their best wishes to you and yours during this uncertain year ahead.

Last year we saw our community come together as never before. The care, concern, and compassion for family and friends was amazing!

A special thank you to all those who helped care for friends and neighbors; filled shopping orders, delivered groceries, and a host of other kind acts.

I also want to thank each of you for your patience and understanding during this difficult time. I've often said to my children over the years, "I've never been a father before, so let's work at this together. We both will make mistakes along the way, but let's apply grace and patience to each and every situation"

As Council and staff, we have never been here before; no policy book to open and follow. I have made a few mistakes along the way, but I ask for your patience.

Our journey, unfortunately is not over. The road ahead is uncertain, but as Council and staff, we will do our utmost to provide the services required. Our first priority is to keep our community safe, and a sincere thanks to our staff for their diligence and care. We have just started budget deliberations, and will do our best to keep the tax rate as low as possible without risking our future.

Finally, what is needed the most as we move forward is continued patience, understanding and care for our friends and neighbors. Now more than ever, each of us must do what we can to adhere to the best practices put forth by the Medical Experts. Carling is truly a wonderful community and together we will weather this storm.

Blessings upon you all,

"Mayor Mike"

Mike Konoval
