Municipal Alcohol Policy
(MAP)

Policy Statement

The Township of Carling wants residents and visitors to enjoy the various facilities and parks available. In order for the Township to ensure the health and safety of its participants and protection of municipal facilities, a policy for orderly use of alcohol during events and functions has been developed. The majority of the problems that arise from drinkers who engage in: drinking to intoxication, drinking and driving, underage drinking and drinking in prohibited areas. To the extent that these four drinking practices can be reduced the likelihood of alcohol related problems will diminish.

This policy will provide a management strategy for the control of alcohol in municipal parks and recreation facilities which reflect the municipality's philosophy, considers the needs of the community and ensures the health and safety of the participants and facilities where alcohol may be deemed suitable for use.

Purpose

1. To provide appropriate and reasonable procedures and education to individuals or groups wishing to hold events in municipal recreation venues.

2. To encourage and enforce responsible drinking practices in compliance with the Alcohol and Gaming Commission of Ontario.

3. To reduce problems and liability associated with excessive alcohol use.

4. To be proactive in the reduction of incidents including injury and death through the implementation of a Municipal Alcohol Policy.

5. To honour the decision of abstainers not to drink alcohol and to encourage their participation by providing alternative, non-alcoholic beverages.

In accordance with the Liquor License Act, the consumption of alcoholic beverages is prohibited in all areas owned or operated by the Township of Carling, including parks, trails, sports facilities, recreation facilities, cultural facilities and service facilities, unless specifically designated otherwise. Township Council may change the designation of any site at its discretion. Those facilities currently designated for use under the authority of a Special Occasion Permit are:

CARLING COMMUNITY OUTDOOR RINK - The Carling Community Outdoor Rink is a defined area and the boards allow for proper fencing. The Covered area makes for an attractive setting for warmer weather functions.

CARLING COMMUNITY CENTRE (CCC) - The Carling Community Center (CCC) has its own Liquor License. A special occasion's permit (SOP) will only be allowed under special circumstances and upon approval from the Township of Carling's CAO. To be considered for a SOP within the Carling Community Centre, the Event Sponsor will be required to submit a written request explaining the special circumstances. The Event Sponsor will be subject to an additional fee of 25% for the use of the bar and walk-in bar cooler due to the need for the Township to remove, store and restock the bar and cooler.

All other municipal facilities may receive Special Occasion Permits upon approval from the Township of Carling's Chief Administrative Officer (CAO) or his/her designate.

5.2 Designation Of Not Suitable Municipal Properties

The following municipal facilities and areas are **not licenced or not suitable** for an event involving alcohol:

1. Outdoor Areas:
    a. Municipal Boat Launches
    b. Municipal Parking Lots
    c. Municipal Trails

Outdoor events are those which take place outdoors or in a temporary structure, such as a tent or marquee. The outdoor area must be clearly defined and separated from unlicensed areas by a minimum 36" (0.9m) high barrier. **At least 30 days prior to the event, you must write the Township of Carling Chief Building Official, Recreation Department, Fire Department and the District Health Unit informing them of the event and identifying the physical boundaries. 6.0 CONDITIONS FOR THE USE OF ALCOHOL IN MUNICIPAL FACILITIES

A Special Occasion Permit or Caterer's Endorsement authorizes individuals to serve alcoholic beverages during an occasion that is judged unique or does not occur on a regular basis. Anyone who wishes to serve alcohol at an eligible site must complete a Township of Carling MAP Checklist Form, attached to this document that stipulates the conditions under which alcohol will be served.

In addition, the responsible person must obtain from the Alcohol and Gaming Commission of Ontario either:

Special Occasion Permit (SOP): Required for the sale and service of beverage alcohol at special occasions, such as weddings, charity fundraisers and receptions. SOPs are available for any type of location other than a residence. The Special Occasion Permit Holder must comply with the Liquor License Act, R.S.O. 1990, Chapter L.19 and its Regulations and all conditions as specified by the Township of Carling. It is unnecessary to obtain an SOP if the event is already being conducted under the authority of a caterer's endorsement license.

Catering Endorsement: Permits the sale and service of beverage alcohol to an event that is in an unlicensed area or other than a licensed establishment. The catered event must be sponsored by someone other than the license-holder, (generally being the Event Sponsor in this context) must have light meals available, and the event cannot be more than ten (10) days. For example, a catering endorsement would allow you to cater liquor and food to weddings, private parties, etc.

Bring Your Own Wine Endorsement: A Bring Your Own Wine Endorsement (BYOW) applies to unopened bottles of commercially made wine. Commercially made wine only includes wine made by a manufacturer. It does not include wine made at a ferment-on-premises facility or any other type of homemade wine, or fortified wine. The bottle must be new, with its manufacturer's seal intact. All bottles must be opened and served by Township staff or a licensee under a Special Occasions Permit. Only two (2) bottles are allowed per table at any one time. The bar must be closed when a BYOW endorsement is being used. When patrons are leaving the establishment, they may take the remaining wine with them if the bottle has been sealed with a cork inserted flushed with a top of the bottle. Wine from one bottle cannot be poured into another in order to combine more than one partial bottle before it is re-corked. Bottles cannot be stored, any unused wine left behind must be discarded. Only the permit holder or employees of the Township are permitted to re-cork a bottle that is being removed from the licensed premises. The BYOW may only be used at the Carling Community Centre and cannot be used with a Caterer's Endorsement.

For any questions regarding SOP of Licenses, please contact the Alcohol and Gaming Commission of Ontario. www.acgo.on.ca

Township of Carling reserves the right to refuse an applicant permission to run a licensed event in its facilities or on its property.

Any person or organization wishing to hold a SOP/License function in a location not listed in this policy must appeal to the Township of Carling's Council for approval. The Township's Council has the authority to change the designation of any facility at its discretion.

Copies of sales receipts should be made available to the municipal representative if requested to verify this percentage.

Low alcoholic beverages help prevent intoxication by providing consumers with an opportunity to consume less alcohol. Where possible, the Township encourages the serving of lighter alcoholic beverages. Methods include:

- Serving drinks with ice
- Promoting light beer
- No double shots

- Bar will close no later than 1:00 am unless authorized in writing by the CAO or his/her designate.

This gives individuals an opportunity to monitor participants' alcohol consumption.

- Ticket sales will stop 15 minutes prior to the bar closing. Unused tickets may be redeemed at any time during the event but will not able to be redeemed once the bar is closed.

- Up to a maximum of two drinks per person will be sold at the bar at one time.
